Re: United States v. Bonventre, et al., 10 Cr. 228 (LTS)

Dear Judge Swain:

As you know, we represent George Perez in the above matter. We write in response to the Court's order of today, December 5, 2014, regarding submissions considered in connection with the upcoming sentencing of the defendants in the above matter. In response to the Court's order, we are writing to inform the Court of one omission and one correction with respect to those submissions filed on behalf of Mr. Perez. In particular, omitted from the Court's order is Docket #1068, which is the Sentencing Letters submitted in support of George Perez. We are confident that the Court has reviewed these letters, but mention this in an excess of caution. Moreover, we also advise the Court of one technical clarification as to Docket # 1115. The Court has identified it, in the "Party" Column, as "Submitted by Perez on behalf of all Defendants;" however, the Amicus Brief was actually filed on behalf of defendants George Perez and Jerome O'Hara.

We thank the Court for its consideration of this letter.

*The supportive letters have been reviewed  
in unredacted form; the submission will  
be added to the final version of Schedule A.  
The correction will be made in the final  
version.*

Sincerely,

Kimberly Yuhas
